## Welcome to the Town of Wilkeson's new quarterly newsletter!

At Town Hall it is crucial to get information out to our citizens, but we know it gets tiresome receiving tons of forms in the mail. This is why we are moving to a quarterly newsletter, this being our first followed by one in June, September and December.

The new format will have updates on events and information about things that took place the past three months and what is to come in the next three months.

We hope this will be helpful in getting information out to you all. Occasionally we will need to include other forms with bills, but keep an eye out for this quarterly newsletter for important information

## Around Town

Even though it has been a long winter we are working on many projects to make this Town a better place. With Spring approaching soon we will be breaking ground on a new Water Storage Tank alongside our existing Tank. This Summer we will be installing new playground equipment at Roosevelt Park and so much more!

Bring your new ideas to share and join us at a council meeting to hear more. The only bad idea out there is the one that never gets heard. All are welcome!

2017 Council Meetings	
March	8, 22
April	12, 26
May	10, 24
June	14, 28
July	12, 26
August	9, 23

## Mayor's Note

I hope everyone is having a great start to a new year! February has been a very soggy, rainy month. We have been consistently monitoring the creek due to the heavy rain and snow fall. I hope there were not too many issues due to the flooding at your homes. In case of any more flooding danger, there are sand and sandbags at the Fire Station for your use. Also, with all this rain potholes become an issue. Please be on the lookout for potholes and report them to Town Hall so that we can take care of them right away. Hopefully things will start drying out soon!

*-Mayor Walker*

# Blood Drive

Carbonado had their first Blood Drive of the 2017 year. They had a good turnout, but not as good as past drives.

A note from Blood Works North West:

“The blood supply is relying on you, the patients at our over 90 hospitals are relying on you. The snow wreaked havoc not just in our daily lives, but with the blood supply. We have had over 75% less donors than we typically have and had to cancel numerous blood drives resulting in emergency level shortages of blood. Please come donate.”

Please keep this in mind with the upcoming drives, we need your help!

## BLOOD DRIVE DATES 2017 MARK YOUR CALENDARS

**Wilkeson:**

**Monday, April 17th**

**Carbonado:**

**Monday-June 26th**

**Wilkeson:**

**Monday-August 14th**

**Carbonado:**

**Monday-November 6th**

**Wilkeson:**

**Monday-December 11th**

**Next Drive:**

**Monday, April 17th**

**Wilkeson Town Hall**

**540 Church Street, Wilkeson**

## The Wilkeson Eagles Annual Easter Egg Hunt

**Saturday, April 15th at 12:30 pm**

**Breakfast Benefit for Carbonado 8th Grad class begins at 8am at the Eagles Hall followed by the egg hunt at 12:30 pm at Wilkeson Elementary. Lots of fun and prizes!**

A reminder to  
**FLUSH RESPONSIBLY!**

Please do not put grease, hair, feminine products, dental floss, etc. into the system as they build-up and subsequently cause blockages. If everyone does a little, we don't have to do a lot!

Thank you for all your effort getting PO Box Numbers on all the mail! Keep up the good work!

## WILKESON ELEMENTARY SCHOOL NEWS

### Wilkeson Elementary is on the move for the 2017-18 school year

In the 2017-18 school year Wilkeson School will be changing locations to the district WRESC building, 27515 120<sup>th</sup> Ave E in Buckley. Also known as the former White River Middle School located behind Mt. Meadow Elementary. This move is for one year only and then we will come back to a beautifully remodeled Wilkeson Elementary. This move is so construction at Wilkeson Elementary can be done quickly and safely for students. We may be changing locations, but all our staff and students will make this move together.

Minor renovations are currently underway to accommodate our students at WRESC. This facility has plenty of room for our kids, huge gym, music room and a designated cafeteria and kitchen area. A playground will be set up over the summer which includes a huge field and track for our kids. Busing will be provided for ALL students who live in the Wilkeson attendance area. Even though the location will change,

### REGISTRATION NOW OPEN FOR PRESCHOOL/EARLY KINDERGARTEN/KINDERGARTEN

White River school district heartily supports quality early childhood education for our youngest learners.

-Preschool and Early kindergarten is a half day program, 5 days a week  
-Preschool is for students who were born between Jan. 1 and Aug. 31, 2013

-Early Kindergarten is for student born between Sept. 1 - Dec. 31, 2012  
-Kindergarten is a full day program. Full day Kindergarten is for students who were born before Aug. 31, 2012.

Registration packets can be picked up from the school office. Please include a copy of your child's birth certificate and immunizations.
